- Advanced sound testing and tuning for superb voice quality
- Save up to 100 favorite contacts in your phonebook

Eco-designed

- Zero power emission when ECO+ mode is activated

PHILIPS

Highlights

Comfortable handset cans

Comfortable handset cans designed for longer calls

Superb sound quality

Advanced sound testing and tuning for superb voice quality

2-line graphical display

Easy to read, 4.1cm (1.6") 2-line graphical display

Durable and glossy outer shell

Durable, glossy and fingerprint-resistant outer shell

Smart cable management

The smart cable management system cleverly hides the wires from sight. Intelligently designed concealed sockets and an internal cable guide ensure everything is clutter free and neatly tucked away.

Handset speakerphone

Handsfree mode uses a built-in loud speaker to amplify the voice of the caller, allowing you to speak and listen during a call without holding the phone to your ear. This is especially useful if you want to share the call with others or simply multitask.

Hassle-free charging

Charge handset either way around

100-name phone book

Always have the phone numbers of your loved ones available: Save up to 100 favorite contacts in your phonebook.

ECO+

Zero power emission when ECO+ mode is activated

Smooth and calibrated keypad

Calibrated keypad for smooth precision clicks
