

# Light up your game

An initiative of Philips Community Light Centers

At Philips we strive to make the world healthier and more sustainable through meaningful innovation

**1.6 billion** people worldwide without access to electricity

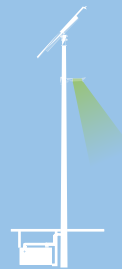

Of which **31 million** are in Latin America

**LED Lights** will be installed in more than **100 Soccer Fields**, in **Africa**, the **Caribbean** and **Latin America**.

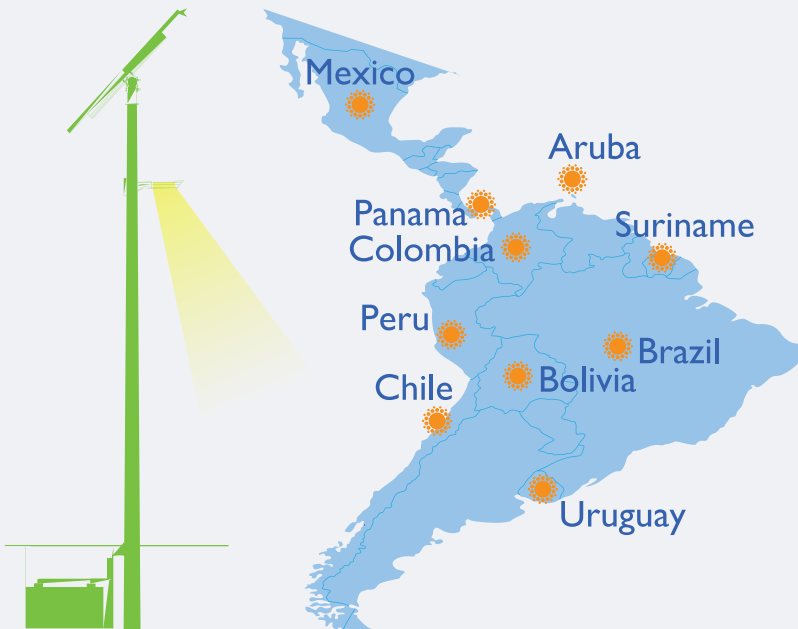

## In Latin America and the Caribbean

**16 soccer fields** with Philips LED in grid low income communities

**14 soccer fields** with Philips Solar Powered LED in semi-grid or off-grid communities

Hundreds of LED Lights will be installed in 10 countries in Latin America and the Caribbean in 2013 and 2014

**10 Countries**

### Philips Community Light Centers enable social life at night and also help promote:

Sports

Health

Education

Commercial Activities

Safety

Well-Being
