

Master key clinical concepts with cardiology thought leaders

Friday August 26, 2022

Time	Theme	Speaker	Room
9.00 - 10.15	Mitral Valve Three Dimensional Echocardiography Master Class: from anatomy to full diagnostic & interventional scenarios	Dr. Francesco Faletra (Lugano-Switzerland)	Tutorial 4
10.45 - 12.00	Left Heart deformation, why & how: discussing interesting cases and best practices	Dr. Valentina Volpato (Milano-Italy)	Tutorial 4
12.30 - 13.15	Aortic Valve Three Dimensional Echocardiography Master Class: from anatomy to full diagnostic & interventional scenarios	Dr. Francesco Faletra (Lugano-Switzerland)	Tutorial 4
13.45 - 15.00	Imaging & Cardio-Oncology: partners in fire	Dr. Teresa Lopez (Madrid-Spain)	Tutorial 4
15.30 - 16.45	None		
17.00 - 18.00	Comprehensive assessment of Right Heart Failure, a multi-modality approach	Dr. Valentina Volpato (Milano-Italy)	Tutorial 4

Saturday August 27, 2022

Time	Theme	Speaker	Room
9.00 - 10.15	Imaging & Cardio-Oncology: partners in fire	Dr. Teresa Lopez (Madrid-Spain)	Tutorial 4
10.45 - 12.00	Mitral Valve Three Dimensional Echocardiography Master Class: from anatomy to full diagnostic & interventional scenarios	Dr. Francesco Faletra (Lugano-Switzerland)	Tutorial 4
12.30 - 13.15	Left Heart deformation, why & how: discussing interesting cases and best practices	Dr. Valentina Volpato (Milano-Italy)	Tutorial 4
13.45 - 15.00	Tricuspid Valve Three Dimensional Echocardiography Master Class: from anatomy to full diagnostic & interventional scenarios	Dr. Francesco Faletra (Lugano-Switzerland)	Tutorial 4
15.30 - 16.45	Left Heart deformation, why & how: discussing interesting cases and best practices	Dr. Valentina Volpato (Milano-Italy)	Tutorial 4
17.00 - 18.00	LAAC multi-modality assessment	Dr. Xavier Iriart (Bordeaux-France)	Tutorial 4

Sunday August 28, 2022

Time	Theme	Speaker	Room
9.00 - 10.15	Comprehensive assessment of Right Heart Failure, a multi-modality approach	Dr. Valentina Volpato (Milano-Italy)	Tutorial 4
10.45 - 12.00	Multimodality Imaging in the Cardiac Journey: from early detection to long follow up of Valvular Heart Disease	Dr. PhD Jorge Solis (Madrid-Spain)	Tutorial 4
12.30 - 13.15	Fusion Imaging or How you can learn to communicate with your interventionist	Dr. Francesco Faletra (Lugano-Switzerland)	Tutorial 4
13.45 - 15.00	Multimodality Imaging in the Cardiac Journey: from early detection to long follow up of Heart Failure Disease	Dr. PhD Jorge Solis (Madrid-Spain)	Tutorial 4
15.30 - 16.45	LAAC multi-modality assessment	Dr. Xavier Iriart (Bordeaux-France)	Tutorial 4
17.00 - 18.00	Imaging & Cardio-Oncology: partners in fire	Dr. Teresa Lopez (Madrid-Spain)	Tutorial 4

Sunday August 29, 2022

Time	Theme	Speaker	Room
9.00 - 10.15	Multimodality Imaging in the Cardiac Journey: from early detection to long follow up of Heart Failure Disease	Dr. PhD Jorge Solis (Madrid-Spain)	Tutorial 4
10.45 - 12.00	Tricuspid Valve Three Dimensional Echocardiography Master Class: from anatomy to full diagnostic & interventional scenarios	Dr. Francesco Faletra (Lugano-Switzerland)	Tutorial 4
12.30 - 13.15	Multimodality Imaging in the Cardiac Journey: from early detection to long follow up of Valvular Heart Disease	Dr. PhD Jorge Solis (Madrid-Spain)	Tutorial 4
13.45 - 15.00	Left Heart deformation, why & how: discussing interesting cases and best practices	Dr. Valentina Volpato (Milano-Italy)	Tutorial 4
15.30 - 16.45	Aortic Valve Three Dimensional Echocardiography Master Class: from anatomy to full diagnostic & interventional scenarios	Dr. Francesco Faletra (Lugano-Switzerland)	Tutorial 4
17.00 - 18.00	Fusion Imaging or How you can learn to communicate with your interventionist	Dr. Francesco Faletra (Lugano-Switzerland)	Tutorial 4
