Technology Maximizer

Your future is now

Maximize your investment with Philips Technology Maximizer

Keeping technology up to date can be difficult. Let us help boost the clinical capability and operational performance over the life of your CT system with Philips Technology Maximizer.

Benefits

| | |
|---------------------------|--|
| Predictable Budget | Predictable costs that keep your system up to date |
| Stay Competitive | Automatically access innovation upon release instead of buying each new enhancement separately |
| Non-obsolence | Stay protected from obsolescence and be first to market with innovations |
| Capex to Opex | Avoid repeated capital investments and approvals over the life of your system |

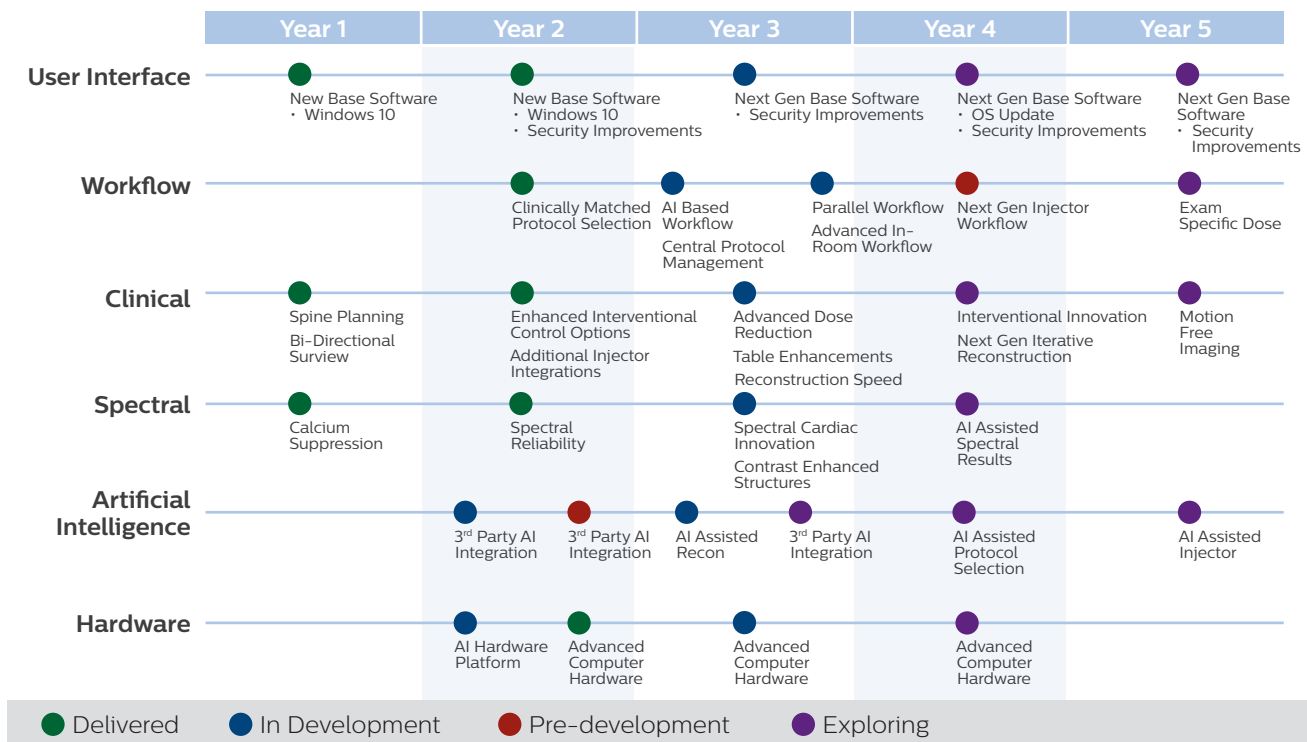

How Philips Technology Maximizer works

Technology Maximizer is a software and hardware refresh program that keeps your CT equipment like new for up to five years after installation. Technology Maximizer for CT is an optional service offered in tandem with our RightFit Customer Support Agreement*.

*Technology Maximizer is available with eligible RightFit Service Agreements

Connect to the future with Technology Maximizer

A structured pathway to tomorrow's innovation

Disclaimer: Technologies in development represent ongoing research and development efforts. These technologies are not products and may never become products. Not for sale. Not cleared by the FDA for commercial availability. Not CE marked.

Stay current at half the cost

Over the course of your contract, Philips Technology Maximizer maintains your system at Forward Production performance, including one full console hardware upgrade (Host and Reconstruction Computer). Purchase these upgrades individually, and it could cost you up to twice what you would pay as part of the Technology Maximizer CT subscription.

Eligible CT systems

New, Diamond Select Refurbished and installed CT systems listed below are eligible for the Technology Maximizer program:

*Excludes Ingenuity Flex

Terms and conditions

- Available only on eligible Philips equipment listed above
- Maximum 5-yr. term (including warranty period)
- Requires a qualifying RightFit Customer Service Agreement
- Available for installed systems meeting hardware and software prerequisites, including iCT, iCT SP and Ingenuity CT systems
