Powerful brightness

- Up to 6,000 K for a stylish white light
- See more and avoid dangerous glare with a precise beam

Reliable durability with dual heat dissipation

- Long-lasting performance with up to 2,000 hours' lifetime thanks to Dual heat dissipation system: AirCool active cooling combined with an aluminum heat sink that diverts heat away from the light's critical components.

Compact all in one design for plug and play use

- Integrated driver box facilitating easy fit
- Compact one-piece design allows to take the out the center ring from top easily, without unscrewing

Compatible with major vehicle models

- Compatible 12V & 24V

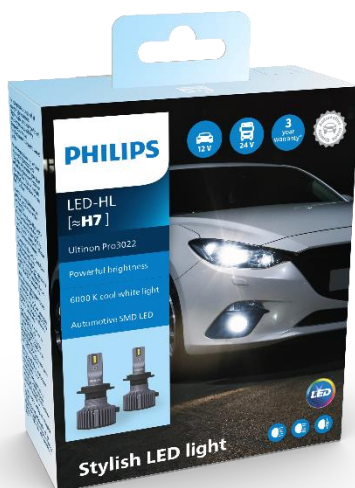

3 years' warranty

- 2 years + 1 additional year after online registration

It is your own responsibility to ensure that the use of the LED retrofit lights complies with applicable local legal requirements.
