Philips LED work light Xperion 6000 Flood

Multipurpose LED projector light

Philips Xperion 6000 Flood multipurpose projector combines an intense 1000 lumens dimmable flood light together with a bright focused beam. Easily controlled by a smart zoom knob or motion sensing. Resistant to shocks and water, this lamp is built to last.

Powerful LED light with multiple outputs

- Lights up large area with **1000 lm dimmable flood light**
- Focus light with **250lm spotlight**

Smart-zoom knob to easily control your light

- Adjust your light from wide flood illumination to focused brightness with the turn of a wheel

Long running time in different light modes

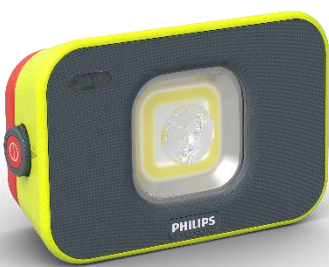

- A single charge provides enough energy for a full day's work: **up to 22 hours** in Eco mode, 3 hours in Boost mode and 9 hours with the spot beam.

Smart, ergonomic, versatile design

- **Motion detection** to control from a distance
- **Versatile attachments** to fix to any surface
- Rechargeable with micro-USB-C and dock station
- **Power bank** to recharge other devices

Handles tough conditions easily

- Resistant to impacts, water and solvents (IP65/IK07)
