Built for professionals

PHILIPS
Xperion 6000
LED work lights
Discover our **Xperion 6000** LED work lights

Philips Xperion 6000 LED work lights were conceived, engineered, and built for auto service professionals.

With their state-of-the-art Philips Xperion LED chips, incredibly rugged construction, and innovative features such as 360° rotating hooks, hinged light panels, and multiple illumination modes, these lights are designed to deliver years of reliable service and brilliant illumination in shop bays and anywhere superior lighting is needed.

The Philips Xperion 6000 LED work light line includes six hand-held lights, two flood projector lights, an under hood extendable light, a wearable headlamp, a multi-dock charging station, and the Find My Device accessory.
Xperion 6000 UV Pillar
Advanced lighting performance that lasts

Our premium work light, the Philips Xperion 6000 UV Pillar, is a multi-purpose work light with exceptionally long battery life. It features three light sources – a main light that’s rated CRI95 for critical color matching, a UV inspection light, and a 180 Lumens Spotlight.

Xperion 6000 Pillar
Work all day on a single charge

The Philips Xperion 6000 Pillar LED work light lasts all day on a single charge. Bright 500 Lumens in Boost mode, 250 Lumens in Eco mode and built-in 180 Lumens in Spotlight will meet multiple needs. Foldable for easy carrying and adjustable lighting angles.

- High CRI95 main light and unique UV light for leak detection
- Precision light with ergonomic design and wide beam angle
- Resistant to impacts, water, and solvents
- Strong magnet and 360° rotatable hook
- Long operating time in different light modes
- Compatible with Find My Device and Multi Dock Station*
- High CRI95 main light and unique UV light for leak detection

- Accessories sold separately
Xperion 6000 Pocket
The compact but powerful light

Its wide-beam light delivers up to 300 Lumens in Boost mode to give you the bright light you need. With an ultra-flexible 100 Lumens, 10 inch hose spotlight, the compact, powerful Philips Xperion 6000 Pocket is perfect for confined spaces.

Xperion 6000 Slim
Perfect for narrow spaces

The versatile Philips Xperion 6000 Slim is ideal for narrow spaces. Featuring 500 Lumens in Boost and 250 Lumens in Eco mode, its unique 270° rotating light module helps you direct the powerful beam where you need it. The spotlight delivers 150 Lumens and up to 9 hours of run time.

*Accessory sold separately
Xperion 6000 Line
Work on larger areas

Designed with a 110° broad beam of 300 Lumens in Boost and 150 Lumens in Eco mode, the Philips Xperion 6000 Line is ideal for lighting up larger areas. It features a main light with 20 Xperion LEDs and a 120 Lumens Spotlight beam.
Xperion 6000 Flood Audio
Audio LED projector light

With its 1000 Lumens Floodlight, 250 Lumens variable beam Spotlight, the Philips Xperion 6000 Flood audio-enabled projector gets the job done. The smart-zoom knob and motion sensor simplify control, while Bluetooth speakers are music to the ears.

Xperion 6000 Flood Mini
Compact LED projector light

With its 500 Lumens Floodlight and variable beam, the Philips Xperion 6000 Flood mini projector gets the job done. The smart-zoom knob simplifies control, while resistance to impacts and water guarantees durability.
**Xperion 6000 Penlight**

Premium LED penlight

The Penlight is ideal for quick inspection jobs. Small and rechargeable, it lets you work a full day without interruption. Designed with multiple light outputs, providing up to 200 Lumens in Boost mode, 120 Lumens in Spotlight, and 100 Lumens in Eco mode. The Penlight features a 45° rotatable magnetic clip as well as a battery-status indicator.

**Xperion 6000 Headlamp**

Dual mode LED headlamp

The Headlamp headband-mounted work light puts brilliant LED illumination right on the task at hand. Powered by state-of-the-art Xperion LED chips, the Headlamp features two light sources. Across the front of the headband, an LED light strip provides a broad beam of light of up to 300 Lumens in Boost mode and up to 150 Lumens in Eco mode. A spotlight mounted on the side of the headband provides a narrow, intense beam of up to 120 Lumens. The hands-free motion detection feature allows you to turn on and off the light without touching it. The Headlamp is resistant to solvents and is rated IK07/IP65 against impacts and dust and water intrusion.
Xperion 6000
Under Hood Light
Versatile, flexible hood light for cars, vans, and trucks

This powerful LED light with multiple light outputs provides up to 1200 Lumens and a 5800 K color temperature. Designed with 32 top quality LEDs, the light has a bright, 120° wide beam angle that will light up the entire engine compartment. Attaches to the car from both sides with extendable mount and is equipped with motion detection.

New!

Multi Dock Station
Docking station for charging multiple devices

The Philips Multi Dock Station is an accessory for the Xperion 6000 LED work lights. Placed on a table, it can charge two devices at a time or simply act as a storage point.

- LED indicator to show charging status
- Dedicated spaces for the Find My Device remote control
- Compatible with Philips Xperion 6000 UV Pillar, Pillar, Pocket, Slim and Flood Mini models

Find My Device
A handy way to find misplaced devices

With the Philips Find My Device accessory, you can trigger an audible buzzer and a flashing light, to find most lost Philips Xperion 6000 devices. It works up to 32 feet.

- Find My Device is sold separately for UV Pillar, Pillar, Slim, and Flood Mini models
- Insert the plug-and-play chip into the work light’s body
- Use the Find My Device to locate your misplaced Philips Xperion UV Pillar, Pillar, Slim, and Flood Mini work lights
- Carry the remote control on your key chain or place it in the Philips Multi Dock Station
