Settlement of Philips Lighting IPO

Amsterdam, the Netherlands – Koninklijke Philips N.V. (“Royal Philips”) and Philips Lighting N.V. (“Philips Lighting” or the “Company”) today announced the settlement of the Initial Public Offering of Philips Lighting.

Today the Initial Public Offering of Philips Lighting N.V. (formerly named Philips Lighting NewCo B.V.) was settled. As a result Royal Philips has received €750 million in gross proceeds from the sale of 37.5 million existing ordinary shares in Philips Lighting (representing 25% of Philips Lighting’s share capital).

Royal Philips has granted the Underwriters an over-allotment option to purchase up to approximately 5.625 million additional shares in Philips Lighting (up to 15% of the offered shares) at the offer price of €20.00. The over-allotment option can be exercised until 30 days after 27 May 2016. If this option is fully exercised, Royal Philips’ ownership in Philips Lighting’s outstanding share capital will be further reduced to 71.25%¹. Royal Philips aims to sell all of its remaining shares over the next several years as Royal Philips will focus on its HealthTech businesses.

Philips Lighting shares were listed and started trading on Euronext Amsterdam (on an if-and-when-delivered basis) on 27 May 2016. As of today, the shares are traded unconditionally under the listing name ‘Philips Lighting’ and the symbol ‘LIGHT’. Philips Lighting announces that the Netherlands is its Home Member State for purposes of the EU Transparency Directive.

More information about Philips Lighting and the IPO is available in the prospectus dated 16 May 2016 and the pricing statement dated 26 May 2016, copies of which may, subject to securities law restrictions in certain jurisdictions, be obtained from the Philips Lighting website at www.lighting.philips.com/main/company. The prospectus can also be found on the website of the Netherlands Authority for the Financial Markets (“AFM”) at www.afm.nl.

This document does not constitute, or form part of, an offer to sell, or a solicitation of an offer to purchase, any securities (the "Shares") of Philips Lighting N.V. (the "Company") in the United States. The Shares of the Company have not been and will not be registered under the U.S. Securities Act of 1933 (the "Securities Act") and may not be offered or sold within the United States absent registration or an applicable exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. Any sale in the United States of the securities mentioned in this communication will be made solely to "qualified institutional buyers" as defined in, and in reliance on, Rule 144A under the Securities Act.

The Company has not authorized any offer to the public of Shares in any Member State of the European Economic Area other than the Netherlands. With respect to any Member State of the European Economic Area, other than the Netherlands, and which has implemented the Prospectus Directive (each a "Relevant Member State"), no action has been undertaken or will be undertaken to make an offer to the public of Securities requiring publication of a prospectus in any Relevant Member State. As a result, the Shares may only be offered in that Relevant Member State (i) to any legal entity which is a qualified investor as defined in the Prospectus Directive; or (ii) in any other circumstances falling within Article 3(2) of the Prospectus Directive. For the purpose of this paragraph, the expression "offer of securities to the public" means the communication in any form and by any means of sufficient information on the terms of the offer and the Shares to be offered so as to enable the investor to decide to exercise, purchase or subscribe for the Shares, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression "Prospectus Directive" means Directive 2003/71/EC (as amended, including by Directive 2010/73/EU), and includes any relevant implementing measure in the Relevant Member State.

This document does not constitute a prospectus within the meaning of the Dutch Financial Markets Supervision Act (Wet op het financieel toezicht) and does not constitute an offer to acquire securities. Any offer to acquire Shares has been made, and any investor should make his investment, solely on the basis of information that is contained in the prospectus made generally available in the Netherlands in connection with such offering. Copies of the prospectus may be obtained at no cost from the Company or through the website of the Company.

In the United Kingdom, this communication is only being distributed to, and is only directed at "qualified investors" (as defined in section 86(7) of the Financial Services and Markets Act 2000) who are (i) investment professionals falling within the meaning of Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (the "Order"); or (ii) persons falling within Article 49(2)(a) to (d) ("high net worth companies, unincorporated associations, etc.") of the Order (all such persons together being referred to as "relevant persons"). In the United Kingdom, any investment or investment activity to which this communication relates is available only to, and will be engaged in only with, relevant persons. Any person who is not a relevant person should not take any action on the basis of this communication and should not act or rely on it or any of its contents.

Forward-looking Information

This document contains forward looking statements that reflect Royal Philips' and the Company's intentions, beliefs, or current expectations about and targets for the Company's future results of operations, financial condition, liquidity, performance, prospects, anticipated growth, strategies and

opportunities and the markets in which the Company operates, including with respect to the sell down of the majority holding of Royal Philips. Forward-looking statements involve all matters that are not historical facts. Philips Lighting has tried to identify forward-looking statements by using words as “may”, “will”, “would”, “should”, “expects”, “intends”, “estimates”, “anticipates”, “projects”, “believes”, “could”, “hopes”, “seeks”, “plans”, “aims”, “objective”, “potential”, “goal” “strategy”, “target”, “continue”, “annualized” and similar expressions or negatives thereof or other variations thereof or comparable terminology, or by discussions of strategy that involve risks and uncertainties. The forward-looking statements are based on the Company’s beliefs, assumptions and expectations regarding future events and trends that affect the Company’s future performance, taking into account all information currently available to the Company, and are not necessarily indicative or guarantees of future performance and results. These beliefs, assumptions and expectations can change as a result of possible events or factors, not all of which are known to the Company or are within the Company’s control. If a change occurs, the Company’s business, financial condition, liquidity, results of operations, anticipated growth, strategies or opportunities may vary materially from those expressed in, or suggested by, these forward-looking statements. In addition, the forward-looking estimates and forecasts reproduced in this document from third-party reports could prove to be inaccurate. A number of important factors could cause actual results or outcomes to differ materially from those expressed in any forward-looking statement as a result of risks and uncertainties facing the Company, and its subsidiaries. Investors or potential investors should not place undue reliance on the forward-looking statements in this document. In light of the possible changes to the Company’s beliefs, assumptions and expectations, the forward-looking events described in this document may not occur. Additional risks currently not known to the Company or that the Company has not considered material as of the date of this document could also cause the forward-looking events discussed in this document not to occur. Forward-looking statements involve inherent risks and uncertainties and speak only as of the date they are made. The Company undertakes no duty to and will not necessarily update any of the forward-looking statements in light of new information or future events, except to the extent required by applicable law. The prospectus also contains a detailed description of risks related to investing in Philips Lighting shares.
