

Information Regarding Dividend - Koninklijke Philips N.V. (Royal Philips)

The General Meeting of Shareholders approved the distribution of EUR 0.85 per common share, in common shares or in cash, at its meeting held on May 8, 2026.

The distribution will be payable in shares or in cash, against the net income for 2025.

The shares will be traded ex-dividend at Euronext Amsterdam as of May 12, 2026, and at the New York Stock Exchange as of May 13, 2026. In compliance with the listing requirements of Euronext Amsterdam and the New York Stock Exchange, the dividend record date will be May 13, 2026. Shareholders will be given the opportunity to make their choice between shares and cash between May 14 and May 28, 2026, for shares traded at the New York Stock Exchange or between May 14 and May 29, 2026, for shares traded at Euronext Amsterdam. If no choice is made during this election period, the dividend will be paid in shares.

The number of share dividend rights entitled to one new common share (the 'ratio') will be determined based on the volume-weighted average price of all traded common shares Koninklijke Philips N.V. at Euronext Amsterdam on May 27, 28 and 29, 2026. The company will calculate the ratio such that the gross dividend in shares will be approximately equal to EUR 0.85. Fractional entitlements will be converted to cash based on the opening price of June 1, 2026. The ratio and the number of shares to be issued will be announced on June 2, 2026.

Delivery of new common shares, with settlement of fractions in cash, if required, and payment of the cash dividend will take place from June 3, 2026, onwards on the basis of share entitlements on the dividend record date. The newly issued common shares will rank for the dividend for the 2026 financial year and following financial years.

Dividend in shares distributed out of the net income for 2025 is in principle subject to 15% Dutch dividend withholding tax, but only in respect of the par value of the shares (which value amounts to EUR 0.20 per share). Dividend in cash is in principle subject to 15% Dutch dividend withholding tax, which will be deducted from the dividend in cash paid to the shareholders.

The new common shares will have a nominal value of EUR 0.20 each and each common share confers the right to cast one (1) vote in a general meeting of shareholders. Each newly issued common share will rank for the dividend for the 2026 financial year and following financial years, to the extent permitted by law and the articles of association of Koninklijke Philips N.V. and at the discretion of the authorized bodies.
