

# Information Regarding **Optional Dividend** – Koninklijke Philips N.V. (Royal Philips)

The Board of Management **proposes to the Annual General Meeting of Shareholders** to be held on May 12, 2016 to approve the payment of a **distribution of EUR 0.80 per common share**.

The distribution will be payable in cash or shares, at the option of the shareholder, against the net income for 2015 and retained earnings of the company. The company will calculate the number of share dividend rights entitled to one new common share, such that the gross dividend in shares will be approximately equal to the gross dividend in cash. Dividend in cash is in principle subject to 15% Dutch dividend withholding tax, which will be deducted from the dividend in cash paid to the shareholders. Dividend in shares paid out of net income and retained earnings is in principle subject to 15% dividend withholding tax, but only in respect of the par value of the shares (which value amounts to EUR 0.20 per share).

You are given the opportunity as of May 18, 2016 until the close of Euronext Amsterdam on Friday, June 10, 2016 (03.00 P.M. CET) to indicate your choice between cash and shares. If no choice is made during this election period the dividend will be paid in shares. On Tuesday, June 14, 2016, the number of share dividend rights of the common shares entitling to one new share (“exchange ratio”), as well as the dividend withholding tax being withheld over the nominal value per new share, will be announced. This exchange ratio will be based on the volume weighted average price of all traded common shares Koninklijke Philips N.V. at Euronext Amsterdam on June 8, 9 and 10, 2016. The newly issued common shares rank for dividend for the financial year 2016 and following financial years. Dividend rights will not be traded on Euronext Amsterdam.
