

How to order the Philips InCourage system for your veteran at home:

what do you do: Submit a consult for the InCourage system to prosthetics:

Philips InCourage system: Item number 500055-210

Includes unit, Philips InCourage comfort vest, two reusable hoses, filters, fuses, wash kit, travel case, in-home patient set-up and **Veteran outcomes program to help you understand therapy adherence, see patient progress and evaluate treatment protocols.**

what do they do: Prosthetics sends the consult to our authorized government distributor:

First Nation Group:

NOW AVAILABLE ON FSS 36F79719D0027

Phone: 855.221.5332

Fax: 734.929.1490

Email: orders@firstnationgroup.com

what do we do: We call the Veteran for initial orientation of vest therapy, guide them on proper vest-chest measurement and set-up product delivery and in-home training at a time that's convenient for them.
