

For your doctor

How to order the Philips InCourage system for your Veteran:

What you do: Submit a consult for the InCourage system to prosthetics:

Philips InCourage system: Item number 500055-210

Includes unit, Philips InCourage comfort vest, two reusable hoses, filters, fuses, wash kit, travel case, in-home patient set-up and **Veteran Outcomes program to help you understand therapy adherence, see patient progress and evaluate treatment protocols.**

What they do: Prosthetics sends the consult to our authorized government distributor
First Nation Group:

Phone: **855.221.5332**

Fax: **734.929.1490**

Email: **orders@firstnationgroup.com**

What we do: RespirTech calls the Veteran for initial orientation of vest therapy, guides the Veteran on proper vest-chest measurement and sets-up product delivery and in-home training at a time that's convenient for them.
