Philips winners of Erkenningen Goed Industrieel Ontwerp 2012 (Recognitions Good Industrial Design)

Fight Malnutrition
(Special Award for Excellence in category ‘Respect’)

‘Fight Malnutrition’ is part of Philips Design’s Philantrophy by Design program. Trunky and Monkey are child-friendly mid-upper arm circumference measuring straps which help to detect malnutrition in children under 5 years in under-served areas.

Philips AVENT manual breast pump

Being stressed or in a hurry can make it more difficult for mothers to release milk. The Philips Avent Manual Breast Pump helps to relax and comfort them, making pumping on the go more discreet.

Philips AVENT Natural range bottle

This bottle range helps to make bottle feeding more natural for babies and their mothers. Designed with a breast-shaped teat for natural latch on, the bottles are perfect for mothers who plan on breastfeeding.

Philips beard styler and shaver Pro

With just a flip of the wrist, the dual-ended Philips Styleshaver has everything a man needs to create a perfectly-styled beard, three-day beard, or a clean shave. This electric beard styler and shaver features robust, durable materials with a premium look and feel.

Philips BodyGroom Plus

The BodyGroom Plus shaver is a one-stop-grooming bathroom essential tailored for all-over hair removal. The high-quality shaver features specially designed attachments to allow users to trim and shave all areas of their body, even the sensitive zones.

Philips Lumea IPL hair removal system

Philips LUMEA uses Intense Pulsed Light (IPL), the latest advanced technology used by the professional beauty industry for hair removal, adapted for use at home.

Philips Original Radio
This is not just any old retro-look product—it has a real heritage. The designs are a contemporary interpretation of the iconic Philips Philetta radio, launched in the 1950s, complete with digital functions. Depending on the model, the Original comes with FM/AM/DAB radio, a dock for iPhones and iPods, and Bluetooth.

Philips SENSEO® Twist
With a wide range of color and accent combinations, the Philips Senseo Twist allows people to match their coffee machine with their decor, whatever the style. It can make two cups of coffee in less than one minute.
Read more

Philips SHOQBOX Wireless Portable Speaker
A life-proof portable Bluetooth speaker which provides exceptional wireless music on the go. Splash-proof and drop-proof, the speaker is compatible with iOS (Apple), Android, or any Bluetooth-enabled player.
Read more

Philips Sonicare Airfloss
The Sonicare AirFloss makes cleaning in between teeth as easy as possible while maximizing plaque removal and ultimately improving gum health. It's ergonomically designed handle and angled nozzle can access all areas of the mouth.
Read more

Philips Sonicare DiamondClean Power Toothbrush
The ultimate sophistication in form and function in the most advanced power toothbrush from Sonicare yet. Includes a unique charging glass and USB travel charger.
Read more
Philips SoundShooter Portable speaker
Enjoy your favorite tunes for up to eight hours on a single charge. The SoundShooter's striking silicon rubber body communicates to consumers that it is ready to be picked up and taken anywhere, indoors or out, and also protects the device inside.
Read more

Philips Steam&Go handheld garment steamer
A compact, lightweight solution for the Chinese market, where people often use a steamer to touch up or refresh their garments. Designed for travel use or small households, it is portable and easy to use.
Read more

Philips VisaPure
An electric cleanser designed to look at home among a shelf of cosmetics products. Unlike the highly technical look of its competitors, the VisaPure has a distinctly feminine shape and color which is inspired by cosmetic brushes.
Read more

Philips Wake-up Light
The new organic shape, innovative user interface, and high-end finishes transform this Wake-up Light from a functional device to a fully-blown interior design object, designed to look like the sun rising in the morning. It includes an iPhone dock for iPhone recharging and the free Wake-up-app allows you to monitor bedtime behaviors, set the alarmclock and select your favorite music to wake up with.

Philips Ecomoods 'Drop' Pendants
Strong as a group, iconic as a single piece, the Ecomoods drop pendants offer energy-saving lighting with a strong visual signature. The striking yet natural silhouette makes the pendants look like they are drops that emerge from the wire they are suspended on.
Read more

Philips ExactEffect
The most striking aspect of the ExactEffect range is the multiple lens design, which highlights the new LED technology used inside. The stylish and compact design makes the spots perfect for use in supermarkets or other retail environments, where they provide accent lighting in recessed and track-mounted applications.
Read more

Philips InStyle Jazz
This range is a collection of decorative pendants that feature a unique LED module that creates a sparkling light effect inside the transparent glass. Their long, sleek shape accentuates the technological innovation inside the chrome pendants.

Philips MyBuddy
MyBuddy is an appealing little character who teaches children when to get up and when to stay in bed. After helping parents out by lighting up a bedtime story with its high-powered LEDs, the MyBuddy switches to low-powered LEDs to light its glowing belly. A sun symbol on the belly means it is daytime and time to get up.
