Enjoy the online world with Smart TV
- Net TV for popular online apps on your TV
- Online Premium videostores and TV shows on Demand

Simple to set up, easy to use
- Wallmount your TV using the stand in 4 simple steps
Highlights

**Ambilight Spectra 2**

Add a new dimension to your viewing experience with Ambilight Spectra 2. This patented Philips technology enlarges the screen by projecting a glow of light, on the 2 sides of the TV, from the back of the screen onto the surrounding wall. Ambilight adjusts automatically the colour and brightness of the light to match the picture, creating an immersive viewing experience. The wall adaptive function ensures that the color of the light always matches the picture, no matter what the color of your wall. With Ambilight Spectra 2 movies truly come to life!

**LED**

LED lighting technology is the most advanced available. In this TV it combines an eyecatching minimalistic design with stunning image quality and on top the lowest power consumption in its category. An other environmental benefit is that LED lighting technology does not contain hazardous materials. With LED backlight you can enjoy low power consumption, high brightness, incredible contrast and sharpness and vibrant colors.

**Pixel Precise HD**

Pixel Precise HD builds on the award winning Pixel Plus foundation. It brings the high definition picture quality to the next level with 4 trillion colours with HD Natural Motion making all your movies fluently moving and razor sharp. With Super Resolution, Pixel Precise HD now brings you the best HD TV picture quality whether you are watching a video from the internet or good quality Blu-ray movies.

**Easy 3D**

Easy 3D ensures you get long hours of comfort while watching 3D thanks to the flicker free, low ghosting performance. The compatible 3D glasses are light weight and do not require batteries. Enjoy 3D easily at home today!

**100Hz Clear LCD (2ms)**

100Hz Clear LCD creates extreme motion sharpness. The Double Frame Rate Insertion increases the sharpness of motion reproduction to more than twice that of conventional LCD, resulting in a performance with a response time of 2 milliseconds. Now you can enjoy clear images even with fast on-screen motion.

**20W RMS Incredible Surround**

Feel the power of the music beat and the atmosphere of the movies. The powerful 20W RMS (2x10W RMS) amplifiers create a lifelike soundstage. The Incredible Surround allows you to experience total surround with greater depth and width of sound. It gives a clear and spacious sound stage complementary to the rich viewing experience.

**Videostore and TV on demand**

Enjoy Premium movies directly to your TV from online videostores. The greatest romantic classics or fast action movies, it’s all there at a push of a button from the comfort of your sofa. Videostore offers an overwhelming collection of movies and series, ranging from the hottest new releases to the invaluable classics. Free yourselves from fixed program timeslots, and watch what you like, when you like to. Never miss your favorite program again! Catch up TV offers the replay of TV series or programs. Conditions and offers vary per country or broadcaster.

**Net TV online apps**

Experience a rich selection of online apps with Net TV. Enjoy movies, pictures, infotainment and other online content directly on your TV whenever you like. Simply connect the TV to your home network through the ethernet connection. Navigate easy with the TV remote control and select from the rich offer of apps. The Net TV portal gives you access to popular apps fitted for your TV screen.

**Energy Class A**

EU Energy Label
For many years Philips has pro-actively been working on the reduction of both on-mode and standby power consumption of its televisions and as a result most Philips televisions has achieved green EU energy labels in 2010. The greener the label, the lower the on-mode power consumption and the lower your energy bill and friendlier to the environment.
Specifications

- Ambilight Features: Ambilight Spectra 2, Wall colour adaptive, Lounge light mode

3D System Requirements
- 3D Source device: 3D capable BluRay player, or 3D capable Set-top box

Picture/Display
- Display: edge LED backlight
- Panel resolution: 1920x1080p
- Dynamic screen contrast: 500,000 : 1
- Response time (typical): 2 ms
- Picture enhancement: Pixel precise HD, HD

Convenience
- PC network link: DLNA 1.5 certified
- Multimedia: DLNA media Browser, Net TV services, USB media browser
- USB recording*: Scheduled record via IP-EPG*
- Electronic Program Guide: 8day Electronic Program Guide*
- Ease of Installation: Auto detect Philips devices, Channel installation wizard, Device connection wizard, Network installation wizard, Settings assistant wizard, 2-in-1 Wallmount Stand
- Ease of Use: One-stop Home button, Onscreen Usermanual, Touch control buttons
- Screen Format Adjustments: Autofill (no black bars), Autozoom (original format, Movie expand 16:9, Super Zoom, unscaled (1080p dot by dot), Widescreen
- Signal strength indication
- Teletext: 1200 page Hypertext
- Firmware upgradeable: Firmware auto upgrade

Tuner/Reception/Transmission
- Aerial Input: 75 ohm coaxial (IEC75), 75 ohm F-type
- Digital TV: DVB-C MPEG4*, DVB-S2 MPEG4 HD, DVB-T MPEG4*
- TV system: DTV COFDM 2K/8K
- Video Playback: NTSC, PAL, SECAM

Sound
- Output power (RMS): 2 x 10W
- Sound Enhancement: Auto Volume Leveller, Clear Sound, Incredible Surround, Smart Sound, Treble & Bass Control

Connectivity
- Number of HDMI connections: 4
- HDMI features: 3D, Audio Return Channel
- EasyLink (HDMI-CEC): One touch play, Pixel Plus link, Remote control pass-through, System audio control, System standby
- Number of component in (YPbPr): 1
- Number of scarts (RGB/CVBS): 1
- Number of USBs: 2
- Other connections: Antenna IEC75, Antenna F-type, Common Interface Plus (CI+), Ethernet-LAN RJ-45, SD card slot (Videoore), Digital audio out (optical), PC-in VGA + Audio L/R in, Headphone out, Service connector

Multimedia Applications
- Multimeda connections: USB
- Video Playback Formats: Codec support,
- Containers: AVI, MKV, H264/MPEG-4 AVC, MPEG-1, MPEG-2, MPEG-4, WMV9/VC1
- Music Playback Formats: AAC, MP3, WMAD (v2 up to v9.2)

Dimensions
- Box dimensions (W x H x D): 1065 x 693 x 158 mm
- Set dimensions (W x H x D): 992 x 586 x 37.8 mm
- Set dimensions with stand (W x H x D): 992 x 660 x 254 mm
- Product weight: 13 kg
- Product weight + (stand): 15.8 kg
- Compatible wall mount: 400 x 400mm

Accessories
- Included accessories: Power cord, Remote Control, 2 x AAA Batteries, 2 x 3D Glasses, 2x cleaning cloth bags, Tabletop swivel stand, Quick start guide, 3D Health Guide, Legal and safety brochure, Warranty Leaflet, 90 degree Sat
