Intuitive and easy to use

- Philips companion apps simplify wireless speaker setup
- Just hit play to start your music wherever you left off

PHILIPS

Spotify multiroom speaker
Spotify Connect Multiroom, Just hit to play

Highlights

Twin audiophile-grade drivers

The speaker features two audiophile-grade drivers and two bass ports for expanded low frequency bass, creating a truly immersive and dynamic sound. Enjoy powerful sound in a compact size.

Spotify Connect

Spotify Connect for an effortless native app experience

Networked speakers

Networked speakers mean you can play a song in one room, or in multiple rooms at the same time so your music can follow you around the house.

Philips companion apps

Philips companion apps simplify wireless speaker setup

Just hit play

Just hit play to start your music wherever you left off on your mobile, tablet or PC/Mac computer. Listen to your favorite tunes almost without interruption when moving from outdoors to indoors, or from one room to another.

SW700M/12
