PHILIPS Limited Warranty:

Any Philips Ultinon LED light that fails as a result of a product defect in non-commercial application during the 8-year, or 250,000-mile, period after purchase is covered by the Philips Limited Warranty.

Register your product by e-mailing or mailing in this form within 30 days of purchase to benefit from our 8-year, or 250,000-mile, limited warranty. Jurisdictions in which warranty benefits cannot be conditioned on registration will automatically receive the 8-year, or 250,000 miles, limited warranty. Your statutory rights to non-defective goods remain unaffected.

Ultinon LED Warranty Terms & Conditions:

8-YEAR, or 250,000-MILE, LIMITED WARRANTY

Philips Automotive North America warrants each new Philips Ultinon LED light against defects in materials or workmanship for a period of eight years, or 250,000 miles, whichever comes first, from the date of purchase, and agrees to replace any defective product without charge.

IMPORTANT: This warranty does not cover damage resulting from accident, misuse or abuse, lack of reasonable care, the affixing of any attachment not provided with the product or subjecting the product to any but the specified voltage.

To exercise your rights under this warranty, you must provide proof of purchase in the form of a sales receipt or your submitted warranty form that shows the product name or part number and the date of purchase. It is suggested that for your protection you return shipments of product by insured mail, insurance prepaid.

NOTE: No other warranty, written or oral, is authorized by Lumileds. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion and limitations may not apply to you.
